

E-Service Course and Personal Guidance in Lumo Library for immigrants

Hakunila International Association organizes E-Service course in Arabic language which aims to help handling electronic services. We provide advice and guidance in e-services in English, Arabic, Romanian and Finnish languages between 6:30pm until 7:30pm. The project is organized in co-operation with Lumo library and Vantaa-info and financed by STEA.

The course starts in April 2017. You can familiarize in every course-time with certain topic but you can also come to ask about other matters concerning e-services any time during the course.

The teachers of the course are *Aurora & Housam*.
